## **WELCOME TO THE FLORIDA STATE UNIVERSITY BOWLING TEAM!**

The first thing we want to express is our commitment to the mission of the Florida State University and towards your success as a student. We want your experience as a student/athlete to allow you to become not just a better bowler, but also a better person. As a member of the FSU Bowling Team, we hope to instill in you the traits of discipline, responsibility, loyalty, and perseverance. It is our hope that your involvement with the Bowling Team will round out your college experience, and that when you graduate, you will remember the Bowling Team as one of the most rewarding of your experiences at Florida State.

Last year ended with the women's team advancing to the Intercollegiate Team Championship for the third time in the past four years. This year we want to make sure we do everything we need to do to advance both the men's and women's teams to the national championships. Last year we were proud to have eleven members of our program recognized as Academic All-Americans and we want that number to grow.

We are pleased that this year we will continue our relationships with Roto Grip on the women's side and Hammer Bowling on the men's side. In addition we will continue our involvement with the Applied Sports Psychology Consulting Service to help strengthen our mental games.

This handbook, which was reviewed and approved by the Coaches and Club Officers, will acquaint you with the operation of the Bowling Team and the expectations placed upon you. You will be held accountable for the information in this book as well as dates and times of events that you will be expected to attend. Please keep this handbook and refer to it throughout the year.

Please understand up front that your success as a member of the Bowling Team is ultimately your responsibility. We have established guidelines, but it is up to you to follow them. We hope that you will make the most of your involvement with our program.

Florida State University is a wonderful school located in a beautiful part of the country. We are pleased that you are a student at this great institution and proud to have you be part of the FSU Bowling Team. We hope you will enjoy being a member of one of the most successful sports programs on campus and continue to build the legacy of more than 50 years of Florida State Bowling.

*Go Noles!*

The Great Seal of Florida State University includes three words, **Vires, Artes and Mores** which are Latin for **Strength, Skill and Character**. These three words have served as an example of what we strive to achieve at FSU and point the way for our success with the FSU Bowling Program.

**Vires or Strength:** We are not talking about the ability to leap tall buildings in a single bound. We are referring to the strength it takes to see the task through to completion, the strength to push beyond our comfort zones and to embrace that which does not come easy to us. We seek the strength to understand that by being part of a team we can realize more success and fulfillment than we could ever enjoy on our own.

**Artes or Skill:** Just as we come to FSU to seek the skills to make us a better more successful individual, we aspire to increase our skill as bowlers. We ask that you not be content with your current skill set, but that you aspire to become an elite athlete. We expect that you will increase your base skill set, plus add additional skills that will make you more versatile and less likely to be shut out of any situation.

**Mores or Character:** The most important of the three great words is Mores, or Character. Character defines us; it allows us to be good people and good teammates. Character allows us give our all and understand that every endeavor is a learning experience be they good or bad. Character understands that it is better to be the sixth bowler on a championship team than the best bowler on a weak team. Character allows us to take joy in the achievements of our team and teammates, even if it comes at the expense of playing time or personal success.

*“Be more concerned with your character than your reputation, because your character is what you really are, while your reputations merely what others think you are.”*

~John Wooden

## **THE FLORIDA STATE UNIVERSITY BOWLING TEAM COACHING STAFF**

The purpose of the coaching staff is to provide structure and accountability for the program. Between them, the coaching staff has significant years of experience, credentials and success. The coaches are here to help everyone get better, to help facilitate our goals and to provide continuity for our program.

### **HEAD COACH**

The Head Coach for both teams is **Michael Fine**. He is also the Director of Crenshaw Lanes. This is Coach Fine's seventh year at Florida State after coaching the University of Kansas Bowling Teams for 19 years.

Coach Fine is a USBC Silver Level certified coach, past-President of the National Collegiate Bowling Coaches Association and the 2002 Men's Intercollegiate Bowling Coach of the Year. While at the University of Kansas, Coach Fine's men's team advanced to the IBC in five of his last six years and captured the 2004 Intercollegiate Bowling Championship. The KU women's team advanced to the IBC in his last three years including two top five finishes. Coach Fine was named to The Bowlers Journal "Top 100 Bowling Coaches in America" list in 2005 and 2007. Coach Fine currently serves on the USBC Collegiate Advisory Council representing the interests of all collegiate bowling programs and the USBC Collegiate Division.

Coach Fine received his Bachelors Degree in Recreation Management from Emporia State University and his Masters Degree in Higher Education Administration from the University of Kansas. He is married to Jeannie and has three wonderful bowling loving Lab's, Portia, Kayde and Maui Bear.

### **ASSISTANT COACHES**

**Joey Kendrick** is entering his eighth year as a coach for the Seminoles. Coach Kendrick is a USBC Silver Level certified coach, IBPSIA Certified ball driller and a member of the National Collegiate Coaches Association. Joey will work with both teams and is the bowling ball expert for our program. Coach Kendrick works at Crenshaw Lanes and is responsible for lane and pinsetter maintenance as well as the pro-shop operation. Coach Kendrick received his AA degree from Bainbridge Community College and is married to Michelle. Joey and Michelle are proud parents of Ethan and a bowling loving Bulldog named Hugo.

**David Beck** was a four year FSU bowler from 2005 – 2009. David was an officer for 3 years including serving as team President his senior year. He was a two time recipient of the Marvin Overby Scholarship and a member of the Intercollegiate Team Championship team in 2007. David was recognized as Sport Club Member of the Year in 2008 and was Chairman of the Sports Club Council in 2009. He received his BS in Political Science and Business Administration from Florida State. David is currently sponsored by Track Bowling and he holds the record for the high three game score in Tallahassee, with a nice 856 series. David works at FSU in the Graduate School.

## ASSOCIATE COACHES

**Theses individuals are alums of the FSU Bowling Program who have continued to be involved in the program. They have volunteered to be a resource for the team and will participate in a number of ways throughout the year.**

**Ricky Bailey** was a four year member of the FSU Bowling team who graduated in 2006 with a BS in Business-Management Information Systems. Ricky served as an officer on the bowling team for three years. Ricky has taken leadership roles in bowling since his days as a youth bowler. He was inducted into the Jacksonville Youth Bowling Hall of Fame for outstanding service to youth bowlers. He is currently the Registrar at ITT Technical Institute in Tallahassee.

**Rachel Collins** was a member of the FSU Intercollegiate Women's Bowling Team from 1999-2003. She was a 4-time participant in the Intercollegiate Bowling Championships, with teams finishing in the top 4 in 2002 and 2003. She was a member of the 2003 IBC National team that finished in second place. Rachel was the Association of College Unions International (ACUI) National Doubles Champion in 2000 and was also inducted into the Broward County Youth Leaders Hall of Fame the same year. She has held a top 25 national sport bowling average since 2002, with top 3 national honor scores for high series and high game in 2002.

Rachel received her Bachelor's degree in Environmental Science and Geography from Florida State in 2003. And she is currently working on staff at FSU as Operations Manager in the Office of Student Financial Services. She enjoys spending time with her husband, Raymond, and his two children, Kellie and Kyle.

**Michelle Kendrick** was a four year bowler for FSU from 2004 – 2008. She was President of the Bowling Club during her last two years. She is a three time winner of the Marvin Overby Memorial Scholarship. In 2008 she advanced to the Intercollegiate Singles Championship and was a member of the Intercollegiate Team Championship team. She received her BS in Middle Grade Education from Thomas University and her MS in Mathematics Education from Florida State. Michelle is finishing her Doctorate in Math at FSU. She is married to Joey.

**Gina Bollotta** was a four year bowler from 2006 to 2010. She was elected Treasurer of the Bowling Club in 2008. In 2009, she was the winner of the Marvin Overby Memorial Scholarship. Gina was a part of both the 2008 and 2010 teams that advanced to the Intercollegiate Team Championship. She recently received her BS in Information Technology from Florida State University and will be pursuing her MS in Integrated Marketing and Management Communication at FSU. Gina also serves as the Administrative Assistant for Crenshaw Lanes.

**Stephen Padilla** is a USA Certified Silver Level Instructor and Pro Shop Technician. Coach Padilla has helped coach members from international teams such as Germany, Guatemala, and Venezuela. Coach Padilla is on staff at the USBC Training Center and is a valuable asset to our program. He is a former Seminole bowler with a degree in Fitness and Nutrition. Coach Padilla was named to The Bowlers Journal "Top 100 Bowling Coaches in America" list. While Stephen is currently living in Texas, he remains a valuable resource for the coaches and the FSU Bowling Team.

## **MENTAL SKILLS COACHES**

The bowling team is happy to have a relationship with the FSU Applied Sport Psychology Consulting Services. This allows FSU Sports Psychology Doctoral students to experience working with a sports team and it allows us to utilize cutting edge thinking in the field of sports psychology. Our Mental Skills Coaches will meet weekly with each team

Our Lead Mental Skills Coach for this year is:

**Courtney Collins** is a 3rd year Ph.D. Sport Psychology student at FSU. This will also be her third year working with the FSU bowling teams. Her academic interests are self-presentation and social physique anxiety in sport and exercise and sport and exercise adherence. She is a classically trained ballet dancer, was on the University of North Florida dance team from 2003-2005, and danced with a Horton based modern dance company for two seasons. Before coming to FSU, Courtney received her BA in psychology from Marymount Manhattan College, and her MA in psychology from Pace University.

## **PROGRAM PHILOSOPHY**

The following ideas or philosophies serve as the cornerstone of our program. They can be broken down into four categories, Goals, Methods of Meeting the Goals, Physical Game, and Individual Responsibility.

### **TEAM GOALS**

- 1) Our primary point of emphasis for the year is to advance to the Intercollegiate Team Championship with teams that have the ability to win it all. To that end, we will plan our season and our activities to achieve this goal. We will do things that will make it possible to advance to the national championship, and we will avoid the things that stand in the way of our goal.
- 2) Another goal is for every member of our program, travel team, developmental squad and coaches to improve our physical and mental game while we increase our knowledge of our sport. You will be asked and expected to push out of your comfort zone and learn to play all parts of the lane while learning to make advanced adjustments.
- 3) The most important goal is for every member of the team to graduate from Florida State University.

### **METHODS OF MEETING TEAM GOALS**

- 1) We will identify our strengths and build on them.
- 2) We will identify our opportunities for growth and develop a strategy for improvement.
- 3) We will determine what we need to do to make ourselves more versatile bowlers who can never be shut out of any lane condition.

- 4) We will never forget that a team of five will always win over five individuals.
- 5) We will examine our bowling equipment and make sure that we have an effective arsenal. We will make sure that we are not being held back by the lack of or incorrectly drilled equipment.
- 6) As coaches and team members we will be unselfish with our knowledge and share our experiences that make us better bowlers and a better people. At the same time we will listen to others because all members of our team have value and have something important to say.
- 7) When we are in competition, we will count on our teammates and coaches to help us perform to our highest level. Individuals not in the bowler's area are not part of our discussion and should not be utilized. This includes parents, friends and anyone else who is not a member of the team.
- 8) We will attend all class sessions when we are not traveling. We will get our homework and projects completed and turned in on time. We will work together in study groups. We will stay in communication with our instructors about travel plans and turn in projects early when possible. When we travel we will take homework with us and make sure we budget time to get our studies completed.

#### **PHYSICAL GAME**

- 1) At Florida State University we shoot straight at spares. We emphasize spares because you win championships by picking up spares. We will make it our goal to be the best spare shooting team in the country.
- 2) We will evaluate each bowler on the following aspects of their game: Overall Motion/Finish, Stance, Start, Posture, Timing, Footwork, Arm swing, and Release. We will achieve this by using the team analysis sheet and video analysis.
- 3) We will keep the arm swing in the 4-inch groove.
- 4) We will work towards developing proficiency with at least three releases and three ball speeds.
- 5) We will have the ability to loft the ball and lay the ball down early.
- 6) We will use the arrows as our target while utilizing the ability to move our target closer or further away to affect the roll on the ball.
- 7) We will concentrate on *Break Point Management* in order to understand ball reaction and as a method of controlling it.
- 8) We will be balanced at the foul line.
- 9) We will limit and be consistent with our drift.

- 10) We will be able to shoot outside 1<sup>st</sup> arrow and inside 5th arrow with proficiency.
- 11) We will work diligently to have a loose arm swing.

### **INDIVIDUAL RESPONSIBILITY**

- 1) The use of drugs and alcohol affects performance. We will not consume alcohol prior to or during the duration of our competitive trips, prior to practice, or during any team functions. The use of drugs is illegal and is not consistent with success. People who cannot abide by this rule must be more concerned about themselves than the team.  
**THIS WILL BE A ZERO TOLERANCE RULE.**
- 2) Anyone trying out for the bowling team needs to be actively pursuing a degree at Florida State. The reason that you came to Florida State was to receive a degree. You will be required to perform in the classroom as well as on the lanes. This includes **attending all class sessions**. As a member of the bowling team you will miss some classes due to competition. This is only acceptable if you attend all other classes. By missing excessive classes you are putting your academic success and the ability of the bowling team to excuse you for competition at risk.
- 3) For some of you, this is your first time away from home. For others, it might be your first time in your own apartment, or the first time you have traveled. Things are not easy in college. We have seen some student-athletes last only one semester because they were unable to maintain the maturity level that is required to get homework done, practice, and take care of their own business. College (and the bowling team) is an opportunity for you to make some decisions on how you want to lead your life. No one else will do your homework and nobody but you will be held responsible for your success or failure at FSU. No one but you can make decisions about what you do with and to your body. While practicing, competing, and interacting with the coaches and your teammates, it is expected that you will show a mature responsible attitude. You are now part of a team, there is no "I" in t-e-a-m!
- 4) The bowling team consists of a diverse group of individuals. With some of our trips lasting five to seven days, the way we interact as a team becomes very important. People who do not respect their teammates' privacy, or gossip, or generally fail to get along with others stand in the way of our team's goals. This can not be allowed to happen!
- 5) In order to perform your best over an extended period of time it is imperative that you achieve a level of physical fitness. We expect that you will eat well and get the sleep you need before and during trips and qualifiers. Walk whenever you can, take the stairs instead of the elevator, and take advantage of our workout facilities on campus to help improve your performance.
- 6) As an ambassador for the sport of bowling, the FSU Bowling Team and Crenshaw Lanes, it is expected that you will conduct yourself in an exemplary manner. Any action on your part that brings the Bowling Team disrespect or places the team in jeopardy will result in the loss of privileges.

- 7) As a member of the FSU Bowling Team, you will be expected to not participate in the posting of harmful, threatening, abusive, harassing, vulgar, obscene, hateful, or racially, ethnically or otherwise objectionable items about your teammates, coaches or opponents on Facebook, MySpace or any other web site. While you are in no way being told not to participate on these web sites, please understand that what you post becomes public information and any confession that you make to a violation of team policies, university guidelines or the laws of the land, will result in appropriate measures. Across the country, university officials including the FSU police are reading what you are posting. Please do not post anything online that you wouldn't want your mother to read.
- 8) As a member of the team you will be expected to embrace the philosophy of the program. If in your heart you do not believe that you need to improve, practice, work with the coaches or be held to the level of behavior or responsibility that others are, you should not be involved in this program. The strength of this program comes from a group of individuals pulling together towards a common goal. This is a team sport and you will be expected to be a team member.
- 9) Both the men's and women's teams are fortunate to be sponsored by two of the top ball manufactures in the world. In consideration of their financial investment in our program, team members will be expected to use equipment from our sponsors during practices, leagues and any other time while a member of our program. New members to the team will be given time to accumulate the correct equipment. As your old equipment is replaced, we ask that it be removed from your lockers and the bowling center.
- 10) We are fortunate to have established a relationship with the Sports Psychology Doctoral Students Association. This allows FSU students to work in conjunction with an advising professor to provide Mental Skills Coaching for our athletes. There is no question that the ability to handle your emotions and focus during times of great stress is one of the keys to becoming an elite bowler. As a member of the traveling team you will be expected to be an active participant in this program.
- 11) As a student at Florida State University you will read and understand the Students Rights and Responsibilities located at this web site: <http://srr.fsu.edu/>

This includes the Seminole Creed and the Student Conduct Code.

## **THE CHARACTERISTICS OF A WINNER**

### **EXCUSES**

These will not be accepted in this program. Performance is the only measurable trait the coaching staff can use to determine your value to the team. Excuses for your failure to perform do not change the fact that you failed to perform. Spend your time constructively thinking about how you can perform at a higher level rather than thinking of excuses.

## **COMMUNICATION**

If you have a concern, any of the Coaches will be more than happy to help you resolve it. Please feel free to discuss with them anything that may be bothering you. **IF YOU HAVE A QUESTION ABOUT DECISIONS RELATING TO THE USE OF PERSONNEL, YOU CAN ONLY GET THAT ANSWER FROM THE HEAD COACH. ANYONE ELSE'S ANSWER IS PURELY SPECULATION.**

## **LOYALTY**

Loyalty is essential to any successful organization. We consider loyalty one of the finest traits in an individual player and strive to instill this feeling into the entire squad. We expect that you will be loyal to your school, your team and yourself. As a part of that when we are traveling, practicing or participating in any team function we will not wear shirts or merchandise from other schools that we compete against. **We are proud to be Seminoles, and we will show it with what we wear.**

## **DISCIPLINE**

Discipline is an essential characteristic of all organizations, large and small. We do not mean regimented, stand at attention, military type discipline. We are talking about the discipline it takes to get your homework done instead of playing video games. We are talking about the discipline it takes to understand that the easiest way to get good grades and graduate is to get up and go to class, even if they are early in the day. And we are especially talking about the discipline that allows you maintain your time management is a way that allows you to be successful in the classroom and on the lanes.

The disciplined person is totally dedicated to being an elite student and an elite athlete. They realize that what they do and the manner in which they live are relative to their performance. Pressure is not a significant factor, because the disciplined individual is grooved into doing things only one way, the correct way, regardless of circumstances. They know how to stay under control because they are in constant control at home, in class, and on the lanes. The disciplined person never has to ask themselves, is what I am doing the right thing? The disciplined person knows the difference between right and wrong.

## **TEAMNESS**

This may seem to be a strange word, but we believe that it best portrays the type of person that we are looking for in our bowling program. This person is an individual with their own desires and goals, but this individual realizes their goals come in second to the team's goals, and these goals cannot be obtained without the help of every individual on the team.

## **DIFFERENT LEVELS OF FSU BOWLING TEAM MEMBERSHIP**

At FSU we have several different levels of involvement based on academic status, skill status and enrollment status.

Upon receipt of the \$250 tryout fee, all FSU students will start off the season at the Club Member Status. At the conclusion of team qualifying, students will be identified as a Travel Team Member, Developmental Team Member or Club Member.

### Travel Team Member:

- 1) Only full time FSU students who meet the minimum academic requirements and have successfully completed fundraising are eligible to represent Florida State in intercollegiate bowling as a member of the Travel Team. The Travel Team will consist of an A and B Team for both the men's and women's squad.

### Developmental Team Member:

- 1) Those students who met all the requirements but are not chosen for the travel team or choose to not use a year of eligibility may be named to the Developmental Team. The Developmental Team has all the rights and responsibilities of the Travel Team and may at the Head Coaches discretion, move up to the Travel Team at a later time. There is no limit to the number of Developmental Team Members.

### Bowling Club Member:

- 1) FSU students who do not meet minimum requirements to travel may be members of the Bowling Club.

### Friends of The FSU Bowling Club:

- 1) Individuals who are not students at FSU but have a desire to support the bowling program may become a Friend of the FSU Bowling Club. This could include students from other universities, community members or parents.

### **Difference in Membership Benefits:**

#### FSU Bowling Club Travel Team and Developmental Team:

- 1) Practice at no charge when lanes are available.
- 2) Receive discounted lineage to bowl in leagues at Crenshaw. The discounted rate will be \$1.00 per game, or \$3.00 per set of three games. You will still be responsible for the prize fund and secretary's fee.
- 3) You will be expected to participate in any Bowling Team fundraiser or event on behalf of the Bowling Team. This includes non-collegiate tournaments, end-of-year banquet or other possible functions.
- 4) Developmental and Travel Team members have the ability to participate in Collegiate Discount Pricing Program for bowling equipment.
- 5) You will be expected to attend the Bowling Team Class/Team Meeting every Thursday at 5:30 p.m. and all special and scheduled practices.
- 6) Travel Team members may request up to 3 lockers and Developmental Team members may request up to 2 lockers at no charge.

- 7) Travel Team and Developmental Team members who aspire to travel are welcome to participate in team tryouts.

#### Club Member:

- 1) Practice at no charge when lanes are available.
- 2) Receive discounted lineage to bowl in leagues at Crenshaw. The discounted rate will be \$1.00 per game, or \$3.00 per set of three games. You will still be responsible for the prize fund and secretary's fee.
- 3) Club members may be asked to participate in Bowling Team fundraiser or event on behalf of the Bowling Team. This includes non-collegiate or sanctioned tournaments, end-of-year banquet or other possible functions. Participation in team qualifiers is possible through a request to the Head Coach.
- 4) Club members have the ability to purchase bowling equipment from Crenshaw Lanes at cost plus 10%.
- 5) Club Members may request up to 2 lockers at no charge based on availability.

#### Friends of the Bowling Club:

- 1) Practice at no charge when lanes are available until the second week in August the following year. Example: Pay \$250 August 18<sup>th</sup>, 2011 and expires August 11<sup>th</sup>, 2012.
- 2) Receive discounted lineage to bowl in leagues at Crenshaw. The discounted rate will be \$1.60 per game, or \$4.80 per set of three games. You will still be responsible for the prize fund and secretary's fee.
- 3) Friends of the Bowling Club may be invited to participate in Bowling Team fundraiser or event on behalf of the Bowling Team. This includes car washes, non-collegiate tournaments, end-of-year banquet or other possible functions.
- 4) Friends of the Bowling Club members have the ability to purchase bowling equipment from Crenshaw Lanes at cost plus 10%.
- 5) Friends of the Bowling Club may request a free locker based on availability.

### **TEAM QUALIFYING**

#### **To be eligible to represent FSU in Intercollegiate Competition you must:**

- 1) Be enrolled in no less than 12 hours if you are an undergraduate or 6 hours if you are a graduate student at Florida State University.
- 2) Have a cumulative grade point average of greater than or equal to 2.0 or be a first semester freshman.
- 3) Pay your qualifying fee.

- 4) Be in good standing with Florida State University.
- 5) You must have met minimum fundraising levels as set by the team.
- 6) Be in good standing with Crenshaw Lanes, the Oglesby Union and the bowling team.

If you have any questions please direct them to the Head Coach.

#### **SPECIFIC ELIGIBILITY**

USBC Collegiate sanctioned intercollegiate activities are considered amateur events and an individual qualifying in any one of the following categories shall not be allowed to participate:

- 1) An individual who is classified as a touring and/or resident professional by a professional bowling organization. If an organization's title uses the word professional, individuals applying for membership or holding membership in that organization shall not be eligible for collegiate competition.
- 2) An individual who has ever applied for or held membership in any professional bowling organization or who identifies himself/herself as a professional.
- 3) An individual who earns the major portion of his/her income as an exhibition bowler.
- 4) An individual who is employed primarily because of his/her bowling prowess and/or whose occupation requires high bowling skills, i.e., resident professional.
- 5) An individual who is subsidized by a bowling sponsor, manufacturer, proprietor or any other agency so that he/she devotes his/her primary attention to bowling.
- 6) An individual who devotes half or more of his/her time as a bowling instructor. (Note: Graduate assistants conducting bowling classes, as part of a degree program shall not be declared ineligible)
- 7) An individual who frequently appears on nationally distributed or network television bowling programs.

#### **SATISFACTORY PROGRESS RULE**

A bowler who has participated\* in any sanctioned intercollegiate competition prior to the current season must complete the following minimum academic progress requirements for continuing education:

- 1) Prior to 2nd season of participation - 24 hours minimum prior to 3rd season of participation - 48 hours minimum prior to 4th season of participation - 72 hours minimum
- 2) In order for a graduate student participant to remain eligible, the participant is required to successfully complete a minimum of twelve graduate credit hours since the previous season of participation.

\*Participated in this case means throwing at least ONE ball in ANY sanctioned intercollegiate competition. Please see the USBC Collegiate handbook for further clarification.

#### **TRYOUT FEE**

A Tryout fee of \$250 will be assessed to all persons trying out for the bowling team. Free practice and the benefits of team membership will only be extended to those persons who have paid the tryout fee. The deadline to pay the tryout fee is August 27<sup>th</sup>, 2011.

#### **THE FSU BOWLING TEAM CODE OF CONDUCT**

The Code of Conduct is a agreement that all team members and coaches will sign that indicates that they understand what is expected of them as a part of our program. In order for us to achieve as a team, we must all be on the same page and understand what is allowed and what is not in the team's best interest. You will be expected to sign and be held accountable to the Code of Conduct.

**TEAM QUALIFIERS**

We will hold up to six team qualifying blocks. Each of these blocks will consist of up to eight games. A different 'shot' will be put out each day. This is done for the purpose of finding those bowlers who can adjust to a variety of lane conditions. Our preference is to always use actual patterns that we have seen in competition. Accuracy (around your mark and the pocket) and consistency is a must. In order to succeed during qualifying, the bowler must be able to convert spares. Also, bowlers **must** stay in control of their emotions. The Coaches may use different formats for each of the qualifiers. This is never done to pick on an individual bowler, but to help determine which bowler's possess the ability to overcome adversity.

**The schedule for qualifying blocks is included in this handbook. You will be expected to bowl at all of the qualifiers. No bowl outs will be allowed.**

All concerns, comments, or questions about lane conditions should be brought to the Head Coach. Discussions about lane conditions with others are part of being on a team. Complaining about the shot and using the lane conditions as an excuse for poor performance is not consistent with our objectives. Good bowlers "play conditions"; they don't let "the conditions play them". In short, we are looking for the bowlers who can adjust to changing lane conditions, convert spares, and keep a positive attitude at all times.

Team qualifiers are for eligible FSU students who aspire to make the travel team. Non Students or Club members may petition the Head Coach to participate in qualifiers. Additional spots may be granted based on lane availability and other mitigating circumstances.

**TRAVEL TEAM SELECTION**

While participating in the qualifying blocks we will chart every ball thrown. We will track the following information; total pin fall, strike percentage, single pin spare conversion percentage, multiple pin spare conversion percentage, opens and pocket percentage and produce a statistical analysis of for all bowlers. We may also have all bowlers participate in a C.A.T.S. analysis which will measure your ability to replicate shots. In addition all members will take written tests to determine their "Bowling I.Q." We will compare your numbers in each category to your teammates and do a rank order correlation to determine your standing on the team. We feel that by doing this we will identify well rounded bowlers.

Travel team members are **expected to exceed** these numbers in order to travel:

	<u>Men's Team</u>	<u>Women's Team</u>
Single Pins Spare %	85%	82%
Multi Pin Spare %	52%	50%
1 <sup>st</sup> Ball Pinfall	8.5	8.2
Max. Opens per Game	2.0	2.5
Strike %	37%	32%

These are the scores that we **aspire** to have in order to compete for a national championship:

	<u>Men's Team</u>	<u>Women's Team</u>
Single Pins Spare %	95%	95%
Multi Pin Spare %	65%	62%
1 <sup>st</sup> Ball Pinfall	9.3	8.8
Max. Opens per Game	1.0	1.5
Strike %	50%	42%

We may also conduct bowling skills evaluations and physical skills evaluations. In the first, you will be asked to show proficiency at several bowling skills. Some of these will include adjustments, accuracy, speed, and drift.

The Head Coach will take into consideration the following items in naming the travel teams:

1. Meeting fundraising goals.
2. Performance in all qualifying games.
3. Performance at tournaments
4. Adhering to the philosophy of the program
5. Commitment to purposeful practice.
6. Results of written tests.
7. Ability to adjust.
8. Solid physical game.
9. Accuracy.
10. Solid spare game.
11. Strike potential.
12. Coachability.
13. Emotional stability.
14. General team attitude, experience and sportsmanship.
15. Work ethic.
16. Desire to learn.
17. Performance and behavior in leagues.
18. Attendance in team class, meetings, leagues and practices.
19. Your ability to get along with others in a team format.
20. Level of physical fitness.
21. Academic performance.
22. Past performance/behavior with the bowling team.

**Failure to meet financial obligations and minimum fund raising requirements will disqualify you from travel regardless of your bowling ability, experience or longevity on the team. Everyone is expected to meet fundraising minimums, period. You can learn more about specific fundraising expectations in the section titled Funding and Fundraising.**

Each team will travel with a minimum of 5 team members. Additional bowlers for each team will be taken only if the coaches determine it necessary and we have sufficient budget. Otherwise, the teams will consist of 5 men and 5 women per tournament.

Team selection for each tournament will be posted no less than one week in advance of that tournament. As always, the coaches reserve the right to make substitutions at any time it is deemed in the best interest of the team.

## **LEAGUES**

All members of the Bowling Team are encouraged to bowl in a league at Crenshaw Lanes. League scores and behavior may be considered in the team selection process. Crenshaw offers a number of leagues. It is expected that team members will bowl during scheduled leagues times. We will frown upon individuals who consistently bowl out, or do not bowl at all.

## **VARSITY BOWLING CLASS**

Each varsity member is expected to attend and participate in the Varsity Bowling Class. This non-credit class is an opportunity for you to increase your knowledge of bowling. All participants will be asked to make presentations to the class on different aspects of bowling. Attendance and participation in the Varsity Bowling Class will be a consideration in the naming of the final teams. A conflict with another class will be the only excuse allowed. Classes will be held every Thursday at 5:30 p.m. starting September 15<sup>th</sup>.

## **BOWLING TEAM ACTIVITIES:**

### **ELITE SKILLS WORKSHOP**

On August 27<sup>th</sup> we will be holding our Elite Skills Workshop. This mandatory event will serve as orientation for the team as well as covering expectations pertaining to the physical game. By the time we get done, you will know everything there is to know about the team, the skill set that we feel we need to master to be successful and have a blue print for your personal success.

### **PRACTICE**

Even the most gifted athlete cannot perform their best if they have not practiced. The Bowling Team will utilize several types of practice.

- 1) One afternoon per week you will be expected to participate in standard drills designed to improve your basic skills. This practice involves work with and without the ball and we will be using videotape to analyze your game.
- 2) Practice on your own, with a teammate or with a coach. At this time you will work on specific skills. It is expected that these practices will be goal oriented, and with a purpose.
- 3) Team practice with other members of a specific traveling squad. As team members, it is important that we understand each other's games well enough to help your teammate. We want you to be able to anticipate your own adjustments based on what you see others do. To achieve that, we expect that the team will spend time together to better understand each other's game and build a sense of teamness.

Practice quality and quantity will be taken into consideration in determining travel teams.

### **PRACTICE POLICIES**

- 1) Practice time is just what it says, **TIME TO PRACTICE**. It is not time for horseplay with others or clowning around. Each bowler's behavior reflects upon the program, the individual, and the sport.
- 2) Bowlers should **check out one lane**, not a pair of lanes.

- 3) In order to better utilize each practice session we will utilize a chart which will be kept in a notebook at the Crenshaw counter. This will keep track of the amount of practice you do as well as specify specific drills and practice activities such as spare shooting, accuracy or speed drills.
- 4) We encourage you to practice with other team members to help replicate the pace we will see in competition.
- 5) Thursday is Spare Practice Day! You should plan on spending at least one hour working on spares.
- 6) We never hit the reset button! Shoot all spares!
- 7) In competition we are not allowed to listen to MP3 players. Because of that we will not practice while wearing headphones.
- 8) In competition we are not allowed to use cell phones for calls or text messaging. Because of that we will turn off our cell phones during practice.

***Practice is one thing that we will do to become the best team we can be. While you are doing something else, somewhere, your competition is practicing so that they can beat you. Remember that failure to bowl well because of lack of practice can never be excused.***

#### **FUNDING AND FUNDRAISING**

The Bowling Team is funded through six methods:

- 1) The Crenshaw Lanes subsidized expenses
- 2) Fundraising
- 3) The bowlers pay out of their own pockets
- 4) Qualifying fees
- 5) Donations
- 6) Corporate Sponsorships
- 7) Sports Club Council

Funding for sending athletes to tournaments as well as uniforms, or other expenses will need to be generated through a fundraiser or out of pocket. The first fundraiser of the year will be Bowling for Excellence. This event involves collecting a per-pin pledge and then collecting money based on your high game of from the 1<sup>st</sup> qualifier on September 19. Pledge sheets and additional information can be picked up through Coach Fine. You will be provided information about additional bowling team fundraisers and it is expected that you will participate. **In order to continue to participate in intercollegiate tournaments and enjoy other benefits, you must participate in fundraising activities and have raised no less than \$500.00.**

#### **CORPORATE SPONSORS**

The Bowling Teams have a number of sponsors.

#### **The Oglesby Union**

The Union is the most significant sponsor because Crenshaw Lanes is a part of the Union. They pay the salary of the Coach as well as offer part time jobs for a number of team members. The Union provides us a facility that we can call our own.

#### **Hammer Bowling**

Hammer is the official ball sponsor of the FSU Men's Bowling Team. They have been very generous in their support of our program and we appreciate their support.

### **Roto Grip**

Roto Grip is the official ball sponsor of the FSU Women's Bowling Team. Their support is greatly appreciated as we work to bring a national championship back to FSU.

### **Vice Grip**

Vice Grip has been very generous in providing grips and slugs for FSU Bowling Team members.

### **Dexter Shoes**

Dexter Shoes is one of the most respected manufacturers of bowling shoes. They have allowed us to purchase their top of the line SST shoes at a price significantly below regular retail.

### **Kegel Training Center**

The Kegel training center is the premier bowling think tank in the world! Individuals and teams travel from all over the globe to become better bowlers. We are fortunate to have a number of dedicated former Seminoles on staff at Kegel. They have gone above and beyond the call of duty in supporting FSU and making their facility available to us at a significant discount. You will learn more about our opportunities with Kegel during the year.

### **FSU Computer Store**

The Computer Store has supported us with new uniforms and products for our silent auction fundraisers. We urge you to support the computer store!

## **BENEFITS AND RESPONSIBILITIES:**

### **THE GOOD STUFF!**

As a member of the FSU Bowling Team, Travel Team or Developmental Team you will enjoy several benefits:

- 1) You will be entitled to unlimited free practice whenever lanes are available.
- 2) You will have the opportunity to take part in the Varsity Bowling Class.
- 3) When you attend tournaments, your entry fees, transportation, and lodging will be paid for.
- 4) You have the opportunity to get free equipment.
- 5) You have the opportunity to participate in discount purchase programs offered by corporate sponsors.
- 6) You will be given the opportunity to represent your University in intercollegiate competition.
- 7) You will be part of a team and make friends that will last a lifetime.
- 8) You will have the chance to become the best bowler you can become.

In addition to these and other benefits, you will have many responsibilities. As one of the schools best bowlers, others will emulate your behavior. Others will follow the example that you set on the lanes. It is important that you conduct yourself in a professional manner on the lanes. That means not kicking the ball returns, screaming at the pins, or any other behaviors that would be considered in poor taste.

Even when you are not with the team, others who know you will be watching you. **We will expect you to take pride in your game, your school, and your sport.**

It is expected that you will pay your financial obligations on time, and conduct yourself in a manner that is appropriate for a person who is representing the FSU Bowling Team.

We expect that you will be a leader on campus and that your actions away from the lanes will only increase the reputation and image of our sport and team.

### **DISTRIBUTION OF EQUIPMENT FROM TEAM SPONSORS:**

The FSU Bowling Team is extremely fortunate to be sponsored by three of the biggest names in the bowling business, Roto Grip, Hammer and Vise. Distribution of equipment provided by the sponsored will be closely supervised to make sure we do not violate the trust and confidence placed in us by our sponsors.

Last year these companies provided the bowling team over \$15,000 worth of free equipment. The expectation on their part is that team members will use this equipment while participating in leagues and tournaments in addition to intercollegiate events. In addition, we will ask team members to submit ball reviews to various web sites discussing their equipment. We will ask you to limit or eliminate the use of other company's equipment and support these companies who have stepped up to support our program.

In order to participate in this program you will need to be enrolled as a full time student at Florida State University with sufficient GPA and academic progress to be eligible to bowl under USBC Collegiate guidelines. Those guidelines can be found in this Handbook. This program only applies to individuals who aspire to participate on the travel team. Non-student club members do not qualify for this program.

The amount of equipment you receive will be based on the amount of money you turn in for fundraising. For the men's team every \$100 of fundraising that you turn in, will qualify you for a Hammer ball. For the women's team, every \$200 will qualify you for a Roto Grip ball. If you show up in August with filled out Bowling for Excellence sheets we will take that into consideration. Please bring those sheets to Coach Fine. The tryout fee does not apply to the \$500 fundraising number. If you read in the hand book, everyone is expected to participate in fundraising, no exceptions.

Once all eligible team members needs have been met and depending on availability, equipment may be distributed to non-qualifying students on an individual basis. As soon as you get to campus, you will need to sign an eligibility sheet to confirm that you are good to go.

The bowling team retains ownership of the sponsored balls that are given out as part of this program. The ball is yours to use as long as you are a member of the program. If you leave the program or decide you no longer want to use the ball, return it to the team and it will be recycled to another member.

Both squads have the option to purchase a ball from our sponsors for a significant discount. That is your ball to do with as you choose. The only expectation is that balls purchased at this

special rate are for your use only, not to be given to friends, family or sold online. We will be happy to help you get discounted equipment through the Crenshaw Pro-Shop for friends and family, but this deal is for team members only.

We get a limited number of each ball so the coaches will work with you to determine the best match of equipment with your style. While there will be equipment for everyone, you should expect that the higher you are in the team standings, the better selection you will get.

All companies that provide free and significantly discounted equipment have the same expectation. They want you to represent their equipment in a positive way. In addition to being an ambassador for Florida State and the bowling program, we expect that you speak well of Hammer or Roto Grip equipment. We are not asking you to lie or misrepresent information about the equipment, but blaming the equipment for your failure or disrupting and playing the fool on the lanes is the quickest way for us to lose our sponsorship. If that happens, we will not get another company to touch us.

#### **HOW TO GET THE BOOT FROM THE BOWLING TEAM:**

It is our hope that we never have cause to ask anyone to leave the Bowling Team. However, there are several things that we just do not want people to do.

The coaching staff makes all decisions regarding player conduct and subsequent disciplinary actions. These decisions include, but are not limited to, in-program and out-of-program conduct, personal behavior, and academic behavior.

Please understand that by committing any of the following actions you would indicate that you no longer are operating in the best interest of the team, and your relationship with the team could be terminated:

- 1) Falsification of scores during leagues, qualifiers, or tournaments.
- 2) Posting harmful, threatening, abusive harassing, vulgar, obscene, hateful, or racially, ethnically or otherwise objectionable comments or remarks about your teammates, coaches, opponents, sponsors or anyone else online.
- 3) Lack of attendance at team qualifiers and meetings.
- 4) Physical, verbal or mental abuse directed towards another member of the team or coaches.
- 5) Any drug or alcohol use during or 24 hours before tournaments, qualifying blocks or traveling to and from tournaments.
- 6) Tampering with equipment in order to gain an unfair advantage.
- 7) Behaviors on the lanes that indicate a loss of control (swearing, shouting, kicking ball returns, hand gestures, chucking balls).
- 8) Failure to stay current with your financial obligations with the Bowling Team, sponsors or Crenshaw Lanes.
- 9) Stealing food, snacks, pro-shop supplies or anything else from Crenshaw Lanes. As a team member you get free practice, not free food and drink!
- 10) Failure to remain in good academic standing with Florida State University.
- 11) Your inability to get along with other people.
- 12) Being convicted of violating the laws of Tallahassee, Florida, The United States of America, USBC or violating the FSU Academic Honor Policy or Student Rights and Responsibility guidelines.

- 13) Spreading rumors, deceitful behavior or participating in other activities that show your lack of maturity and commitment to the goals of the program.

**EXAMPLES OF DISCIPLINARY ACTIONS (NOT ALL-INCLUSIVE):**

- 1) Termination of a player from:
  - a) Any portion of a tournament or competitive event.
  - b) A specific competitive event or tournament.
  - c) All remaining tournaments or competitive events in the season.
  - d) Any and all team functions; i.e., tryouts, practices or workshops.
- 2) Repayment of any or all bowling scholarship moneys received.
- 3) Repayment of partial or total trips and travels costs of an individual or that individual's team for a competitive event.

**PHYSICAL CONDITIONING**

As athletes, you will be expected to maintain peak physical and mental performance over an extended period of time. You just cannot do that if you are out of shape.

We suggest that you take every opportunity to walk or bike to class or to practice. Take the stairs instead of the elevator. If you have a chance to play tennis, racquetball or any other activities that will raise you heart beat, do it! You might consider walking instead of riding when you play golf. Our hope is that within the team, you will develop workout partners who will help motivate by working out together.

The Leach Recreation and Fitness Center is open with state of the art fitness equipment. We recommend that you try to establish a weekly work out schedule. Feel free to talk with the coaching staff to establish a work out program.

As far as diet, we ask that you stay away from junk food around competition. Your body needs the energy that comes from real food, not a sugar high.

**STUDENT RECREATION AND FITNESS CENTER HOURS:**

Monday - Thursday	6:15 am until 10:00 pm
Friday	6:15 am until 9:00 pm
Saturday and Sunday	11:00 am until 9:00 pm

**DRUGS AND ALCOHOL**

Part of going to college is making decisions about how you want to live your life. Your parents are not here, and ultimately, you will have to come to your own conclusions about your behavior and the type of person you want to be. There are a few things you need to keep in mind concerning the use of alcohol. Did you know that if you are under the age of 21, the state of Florida has a zero tolerance when it comes to drunk driving? If you have one beer and test at .02 for alcohol you will get busted. If you get a DUI or minor in possession, it can follow you for a long time. It is the type of thing that will show up on an employer's background check when you are looking for a job after college. It will affect your ability to drive a car and you will spend much more on insurance.

We will not be conducting housing checks to determine if you are using alcohol. We will expect that you will show good judgment in your decisions about drinking. Don't drink and drive, don't ride with someone who has been drinking, designate a sober driver. Don't drink to excess.

I do not know how many times I have heard people rationalize that they bowl better with just a bit of a hang over, or after they had a few drinks. I do not buy it. **Drugs** and **Alcohol** do the following things to you:

**It alters the perception of speed, time and space.**

**It causes short-term memory loss.**

**It prolongs learning time.**

**It impairs tracking performance, perceptual tasks and vigilance.**

**It alters sleeping patterns.**

**It severely impairs coordination.**

**AS A PART OF OUR GOAL OF WINNING A NATIONAL CHAMPIONSHIP, WE WILL NOT TOLERATE THE USE OF DRUGS OR ALCOHOL DURING PRACTICE OR COMPETITION.**

**IN ADDITION, SMOKING WILL NOT BE ALLOWED DURING PRACTICE, COMPETITION, OR DURING TRAVEL TO OR FROM COMPETITION.**

### **CRENSHAW LANES**

Crenshaw Lanes is one of the finest college union bowling facilities in the country and has long been the home to the FSU Bowling Team. As a member of the team we expect that you will serve as a good will ambassador for Crenshaw and the team. Bring your friends bowling and help spread the word around campus. It is in the Bowling Teams best interest for Crenshaw Lanes to be successful.

### **OGLESBY UNION**

The Oglesby Union is the major supporter of the FSU Bowling Team. We hope that you will take advantage of all that the Union has to offer. Supporting other Union departments is an important way that the Bowling Team can repay the Union for the support we receive.

### **PRO-SHOP POLICIES**

Crenshaw Lanes features a pro-shop with ball drilling, measuring and resurfacing equipment. As a team member you are allowed to use this equipment at cost so long as you have training and treat the space with respect. You can purchase grips and slugs at cost plus 10%. As the semester goes on we will provide you with more information about Pro-Shop opportunities. It is expected that you will pay promptly for any work done for you by any Pro Shop, including the Crenshaw Pro Shop.

## **FSU Statement of Non-Discrimination:**

### **OP-C-7-I3 EQUAL OPPORTUNITY, NON-DISCRIMINATION, AND NON-RETALIATION POLICY & PROCEDURES**

#### **POLICY STATEMENT**

The Florida State University (University) is an affirmative action, equal opportunity employer supporting a culturally diverse educational and work environment. The University is committed to a policy of equal opportunity, non-discrimination and non-retaliation for any member of the University community on the basis of race, creed, color, sex, religion, national origin, age, disability, veteran's or marital status, or any other protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable federal and state laws, regulations, ordinances, orders and rules, and University's policies, procedures, and processes. It addresses all terms and conditions of employment in addition to student life, campus support services and/or academic environment.

The University expressly prohibits unlawful discrimination, harassment, or retaliation, whether in assumption, attitudes, acts, or policies. Conduct that intimidates by threat, brings about adversity, or creates a hostile environment, is contrary to the University's commitment of maintaining a harmonious, high performance work and educational environment.

Retaliation against an individual, who in good faith brings a discrimination or harassment complaint, participates in the investigation of a complaint, or engages in some other protected activity, is expressly prohibited and will be regarded as a separate and distinct cause for discipline under these procedures.

## **PARENTS**

A cornerstone of our program is the parents and families of our bowlers. The support they bring is measured in more than fundraising and food at events. Parents are our biggest supporters and go to great effort and expense to attend our events.

Part of what makes our program different from many others is that we provide for our team members a comprehensive description of what we expect from them, what they can expect from us as well as a calendar of when everything will happen for the entire year. Starting this year we want to have a similar approach with the parents.

As a parent, I have the right to:

- be treated with dignity and respect
- ask questions and receive answers from the coach at the appropriate time.
- cheer for your child and the team in a positive manner
- verify your coaches/team qualifications
- talk to other parents and other players.
- have your child be part of the team without discrimination
- request a clear disclosure of financial obligations
- have a written teams statement of philosophy
- be informed about your child's role on the team
- be provided travel itineraries for all trips.

As a Parent, I will be expected to:

- remain in the spectator areas during all games.
- not advise the coach on how to coach, who to put in the game and/or who to take out of the game.
- model sportsmanship for my child by treating all coaches, officials, tournament directors and players of either team with courtesy and respect.
- encourage hard work and honest effort that will lead to improved performance and participation.
- emphasize the cooperative nature of the sport.
- not coach my child during the game.

- encourage athletes to participate drug, tobacco and alcohol free.
- attend all events alcohol and drug free
- cheer for my child's team.
- encourage my child to participate for enjoyment as well as competition.
- applaud good and fair play during games.
- be in control of my emotions.
- learn the rules of the game to help me better understand what is happening.
- understand that physical or verbal intimidation of any individual is unacceptable behavior
- understand that conduct that is inappropriate as determined by comparison to normally accepted behavior is unacceptable and could affect your ability to attend collegiate events.
- honor financial commitments.
