

# The Florida State University Intercollegiate Bowling Team

6th Annual

## Marvin Overby Memorial Bowling Tournament

Crenshaw Lanes • Tallahassee, Florida • The Florida State University Campus • February 26th - 28th, 2010

### Experience the Challenge of Bowling on Sport Conditions

The FSU Bowling Team competes exclusively on Sport Patterns. House patterns traditionally consist of a large amount of oil in the middle of the lanes with significantly less oil on the outside. A bowler can project the ball to the outside and allow it to read the lane, recover and hit the pocket. In Sport Bowling, the oil pattern has a more equal amount of oil across the lane. This requires more accuracy and consistency to be successful. In addition to Collegiate Bowling, the PBA, USBC Masters and International Events all utilize Sport Bowling Patterns.

This tournament is held in the memory of one of the first advocates of Sport Bowling, former Crenshaw Manager and FSU Bowling Coach Marvin Overby. Overby was an important figure in Tallahassee bowling circles for close to 40 years. As the long time coach of the FSU Bowling Teams, his nurturing and supportive coaching style helped many FSU bowlers achieve great success. His 2001 Men's Team and 2003 Women's Team both advanced to the championship round of the Intercollegiate Bowling Championships. We lost Marvin in July of 2004.
